GROW THE GROVE

2027 Pledge Campaign

Hey Grove Fam,

What a year. As I look back on our first full year as The Grove Church, I'm overwhelmed by God's faithfulness. A year ago, we stepped out in faith to plant a church committed to pointing people to the Grace and Truth of Jesus. And time and time again, God has reminded us that He is faithful when we are willing to trust Him.

Just look at what God has done in 2026:

- **Sunday attendance is up 29% YTD**
- **GroveKids is up 42% YTD**
- **Giving is up 22% from 2025**
- **12 people (and counting!) baptized**
- **174 people in Grove Groups, with 4 new groups added this year**

Those aren't just numbers. They represent individuals and families finding community, taking steps toward Jesus, and lives being changed by the grace & truth of the Gospel. I believe this is just the beginning, and that's why we're setting some big goals for the upcoming year:

2027 GOALS: 360 FIRST-TIME VISITORS & 36 BAPTISMS

These are big numbers for us, and that's intentional. These goals are believing that God will do more than we can ask or imagine in the year ahead.

For our Grow the Grove 2027 campaign, I'm asking every individual and family who calls The Grove home to commit to two things:

1. PRAY

Pray for God to grow and multiply The Grove's mission and ministry.

2. PLEDGE

Prayerfully consider what God is asking you to give and submit a financial pledge for 2027.

Here's my prayer: I don't want us to simply maintain what God is doing. I want us to trust God to multiply and grow what He's doing in and through our church. Your pledge allows us to plan wisely for the year ahead and multiply the mission God has given us.

I love our church, and I'm thankful to God to be your pastor and partner in this ministry!

In Christ,
Pastor Kale

KEY AREAS OF GROWTH FOR THE GROVE

1 Growing GroveKids and Launching GroveStudents!

Our GroveKids ministry is growing in every direction as we're reaching more families, and our kids are growing into students!

In 2027, we're planning to:

- Launch GroveStudents for Middle School and Upper Elementary students every Sunday and every other Wednesday night
- Expand our GroveKids classrooms and continue investing in the teachers, volunteers, spaces, and resources needed to help kids know and follow Jesus

2 Growing Our Team

As we look toward 2027, we've budgeted to invest in two additional positions:

- Grove Students Coordinator
- Communications Coordinator

By God's grace, we've already filled one! Melanie Michaud has accepted the role of Communications Coordinator, and we are thrilled to officially welcome her to the team.

These are crucial investments to increase capacity as The Grove continues to grow.

3 Growing Our Community Impact

We want to be a church not just for the people that gather on Sundays, but a church that makes a difference in our community.

In 2027, we'll continue growing our impact through:

- Benevolence: caring for more individuals and families through financial support
- Partnerships: strategically partnering with more ministries in our community
- Evangelism: more events and more invitations to point more people to Jesus

4 Growing Our Vision for the Future

We have two years remaining in our current leased home at 8200 Washington Ave, and based on our current trajectory, we expect to outgrow our space by then.

That makes 2027 a pivotal year as we pray, search, plan, and prepare financially for our next home for the generations to come.

Thank you for your continued prayers and financial support for The Grove Church as we continue to point people to Jesus in 2027 and beyond!
